CLAIMED BY DEATH.

Mrs. Minnie May Jeffries, the Beloved Wife of Horace Jeffries, Passes Over the River.

A TRIBUTE TO A GOOD WOMAN.

Last Saturday afternoon about the hour of 12:30 the spirit of this highly respected and much beloved lady took its flight. Last April she contracted pneumonia which terminated into pulmonary trouble and she gradually grew weaker until the end came. During her long illness the loving husband, devoted sisters and friends watched by her bedside, tenderly administering to her every want, hoping and praying that relief might come. But earthly assistance could only sooth the patient's affliction, and she calmly passed into the mysterious beyond at the hour above named.

She was a daughter of Robt. and Sarah Marshall, who resided near Glenview, and was born February 7, 1818. At the age of 16 she married her husband, united with the Methodist church and later attached herself to a Christian Church, and was a devoted member of that denomination when her life work ended.

The funeral services were conducted by Rev. Z. T. Williams last Sunday afternoon, the church being crowded with relatives and friends. The interment was in the city cemetery.

The devotion of the young husband, who was married to the deceased December 18, 1861, was beautiful. For weeks his every action showed that he was greatly distressed, and as he occasionally came to his place of business, gloom was plainly pictured upon his countenance. Less than two years ago he and his wife entered their comfortable little home and carried on a good business here in Columbia, a bright future seemed inevitable. But just as the day dawned night came on. God pity and sustain him in this the darkest hour of his life.

We meet around the bedside of the dying and we speak of the separation, but let us be comforted by the lines of Lord Lytton:

"There is no death. The stars go down
To give some other place
And bright in heaven's jeweled crown
They shine forever more."
There is no death. The leaves may fall,
The flowers may fade and pass away
They only wait through winter hours,
The coming of the May.
Where'er he sends a little light,
He waits to pure for instant light,
He waits to give to that world of light,
To dwell in freedom.
And ever near us, though unseen,
The dear immortal spirit tread:
For all the benedictions
Life—there is no death!"

There was a lively school election in East Columbia district last Saturday afternoon. Mr. June Pickett was voted for in the interest of Miss Pansie Smythe and Mr. W. H. Mr. Pickett had won by five votes. In West Columbia there was but little excitement. Mr. W. L. Walker winning by twelve or fifteen votes. There was no bad feeling prevailing in either race, the best of feeling prevailing.

The people of Adair County will be glad to learn that Mr. Z. M. Staples and Mr. G. W. Robertson will again engage in the mill business, having purchased of Mr. W. R. Myers two-thirds interest in the Columbia roller and saw mill. The firm business will not commence until the first of January, but in the meantime Messrs. Staples and Robertson will buy timber and grain for next year's business. There is not a better miller in the State than Mr. Myers and with the other members of the firm to do the outside building, there is not a doubt but a splendid business awaits them.
